Fundraising Committee Report
March, 2022 Quarterly Report

To: DCPA Executive Committee
From: Stormi Scherb, Fundraising Committee Chair
Date: March 3, 2022
RE: DCPA Fundraising Committee Quarterly Report

It has been a slow beginning of the year for both Social and Fundraising activities. Unfortunately, there was not any fundraising events held this quarter. Our first meeting was held February 15, 2022. With that being said, I do not want the DCPA members to get discouraged as we have several ideas planned for this year in hopes to make up for the lost time!

I currently have teamed up with the Social chair, Kristina Chiarelli in order to move forward and put together an active itinerary for this year's social, fundraising, and community outreach events.

We are coordinating a kickoff social for late March so we can come together and have some fun for our first social of the year. A part of the kickoff social will include a silent auction and 50/50 raffle. Both Kristina Chiarelli and I are currently reaching out to local vendors for donations. Proceeds will benefit the DCPA in order to fund further community outreach events.

We have received approval for the Painting with a Purpose program with our local Denton Painting with a Twist. A date has not been final; however, we hope for a large turnout. We anticipate promoting this event by next week. After much discussion we have decided to push this specific event to April. A portion of the proceeds of the event will be returned to DCPA.

We missed the date for the Valentines Grams, but this sparked an interest for the possibility of doing a Mother's Day Gram in May. These would be great for friends, co-workers, family member, and employers and employees. Although the details are limited at the moment the logistics will be very similar to the Valentines Grams.

Some other ideas for the next quarter include Mother's Day Grams, Cinco De Mayo Mixer, Father's Day Grams, Bingo night, "A mile of Pennies" fundraiser, and a Mid-Year Bash.

Respectfully Submitted,

Stormi Scherb
